LIBERTY BAPTIST CHURCH

"They're there if we need them..."

Buddy Eggleston, Vice President and Manager of Fidelity's Appomattox office, talks frankly about banking here in Appomattox.

"Here at Fidelity, we firmly believe in competition. It's good for Fidelity, it's good for our town, and as a bank customer, it's good for you. Because without competition, you have no basis to make comparisons. And we know we have services to offer you that can't be topped. Here's why.

"As a bank with over $300 million in deposits, Fidelity can respond to virtually any financial need our business community may have. This is important not only to the businesses already here, but also to new companies that might move here, creating new jobs, paying new taxes and helping our whole area become more prosperous.

"At Fidelity, you usually earn a higher annual yield of interest on your savings. That's because we have the computer capability needed to compound your interest every day. When you save with a bank that only compounds your interest quarterly or semi-annually, you actually earn less interest over a year's time, even if the bank is paying you the highest rate allowed.

"As a big bank, we provide in-depth help to farmers in our area with our full-time Agricultural Services Department. This means loans for planting, harvesting and equipment, along with professional advice on cash flow and farm business management.

"Fidelity also offers you trust services, specialized and experienced counsel to help guide you in the growth and preservation of your estate.

"And as a big bank, we can tell you in all sincerity that we only got to be big by serving our customers better, because that's the way the free enterprise system works.

"But there's an important difference between Fidelity and most big banks. Our local bank offices are run by local people. Like me. Like the members of our staff and our directors, all of whom live here and know our community's needs. Our headquarters staff in Lynchburg is there IF we need them, but the decisions that affect YOU are made right here. By local friends who know that we can only grow by helping you grow."

SEVENTH DAY ADVENTIST
Rufus B. McDannel, Pastor
Sabbath School Lesson Aug. 27 to Sept. 2
Subject: A Sign of Righteousness By Faith
The Scripture Text - "And be found in him, not having mine own righteousness, which is of the law, but that which is through the faith of Christ, the righteousness which is of God by faith." Phil. 3:9.

Man may take either of two roads in seeking righteousness: 1. righteousness by faith in Christ as the Lord's true way of obtaining it, or 2. righteousness by works as the counterfeit way. These point up the differences between true and false worship.

The two classes were exemplified at the gate of Eden when the world's first two young people came to worship the Lord. Abel's offering signified righteousness by faith in Christ, see Heb. 11:4 Cain's offering represented an attempt to make himself righteous by his own works.

He substituted a way of his own deviating for the way of Christ. It is important that everyone understand that the keeping of the Sabbath day in the right way is a sign of true righteousness by faith operating in the life.

Lesson Outline - Pt. 1. Summary of Gospel Rom. 1:16,17. "For I am not ashamed of the gospel of Christ . . . for therein is the righteousness of God revealed from faith to faith: as it is written. The just shall live by faith. In true Sabbath keeping the faithful believer does not keep the Sabbath to make himself righteous. He keeps the Seventh day because he has received the righteousness of
